HR & Skills

connecteam

Operations Hub

- ⏰ Time Clock
- 📅 Job Scheduling
- 📋 Forms
- ✅ Quick Tasks

connecteam

Time Clock

◦ Tracking your employee's work hours has never been easier - Turn any device into an employee time clock

◦ Take control of your payroll process with our digital timesheets

◦ Save money and prevent payroll errors - Eliminate time theft, buddy punching, and overtime expenses

◦ Smooth and accurate payroll with just a click of a button - Easily export your timesheets to your payroll software

◦ Forecast your employee's wage by setting pay rates per employee
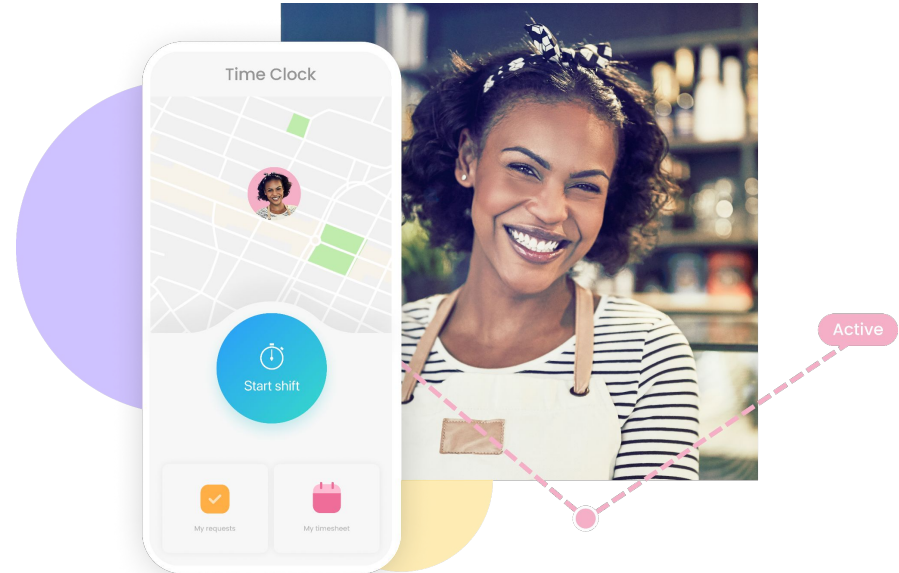

Job Scheduling

◦ Create schedules with minimal effort & share them instantly with your team

◦ Provide your team with all the information they need using shift notes, attachments, shortcuts and a built-in chat

◦ Save time scheduling with pre-made templates and reduce any manual work

◦ Avoid conflicts and unnecessary costs with automated conflicts and limitations

◦ Get full visibility with real-time updates - Track progress and get notified upon completion

connecteam
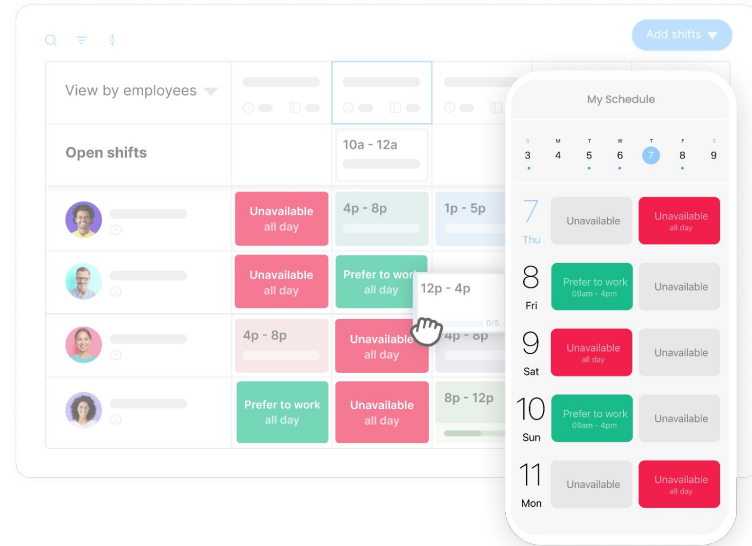

Forms

◦ Easily collect any type of information from your team

◦ Streamline workflows and empower your entire team - Turn manual tasks into online forms and checklists

◦ Customize forms and tailor them to your team's specific needs - Easily create a form or choose from a variety of templates

◦ Always available and always up-to-date - No more illegible handwriting or outdated forms

◦ Review, process, and manage information efficiently - Receive and handle all submitted forms according to your business needs

connecteam

Quick Tasks

◦ Quickly create and assign tasks- by just clicking on a button your task is sent in real-time and pending completion

◦ Real-time completion updates, team reminders and notifications - Full oversight for managers on employee's daily tasks and workflows

◦ A single place to manage all tasks - stay up to date & have a clear overview of what's happening

◦ A single channel for task communication

Hello Team,
Employee Handbook
is ready, if you have
any question hit me up
on the chat!

Employee Handbook

👍❤️😮 56   21 comments
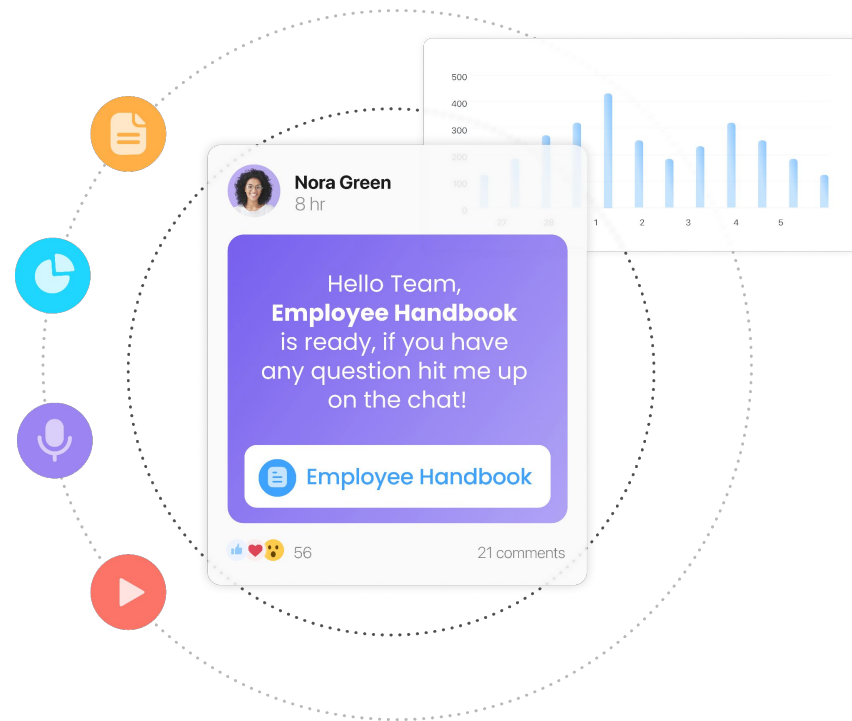

Chat

- Instantly reach your mobile employees via a secure work chat

- Streamline and simplify business text messaging - Make it easy for managers and employees to connect quickly – wherever they are

- Gain full control over business communication

- Reduce unnecessary noise

- Eliminate potential security risks and avoid sensitive information leaks

- Embed the work chat in your daily operations

connecteam

Directory

◦ The best employee directory app to instantly reach your entire company

◦ An employee directory that saves you time & effort - Quickly reach any user and access all modes of communication from one place

◦ Customize your directory as you see fit - Stay in full control of how your users reach each other

◦ Add work contacts to your directory as well- It's not just your employees who you can easily contact

◦ Keep your employees' information safe and secure at all times - Guarantee that no personal contact information falls between the cracks
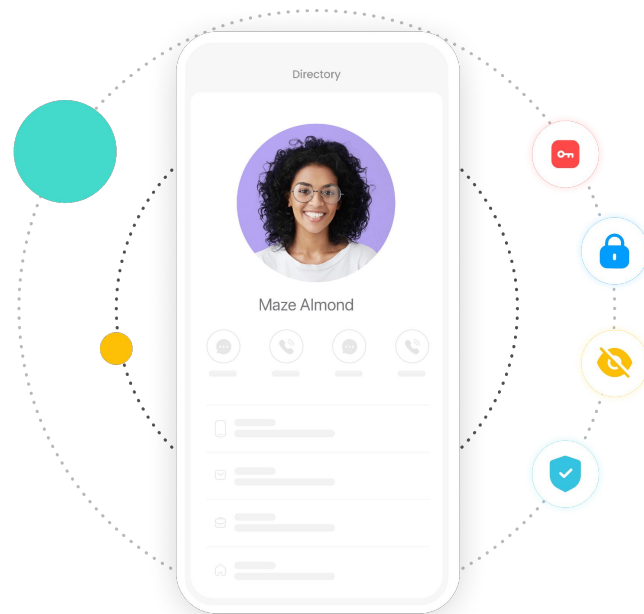

Knowledge Base, Media & Files

◦ The best business solution for online file sharing & storage - a tailor made knowledge sharing software for any business size

◦ Create, organize, and share your business' files in a breeze!

◦ Control permissions to folders with advanced user settings

◦ Grant your team easy access to everything from everywhere

connecteam
Events

◦ Have complete control over what your events look like - Make your events as engaging or as informative as they need to be

◦ Create any kind of event that your business needs - Bridge the gap between you and your employees by creating a wide variety of events

◦ Easy access to all events directly from mobile devices - Employees can keep up to date even while they are on the go

◦ Get a full overview on employee attendance - Eliminate needless back and forth and get quick and clear answers on who is attending

Company Party!!!

Courses

- An employee training software for the new generation of non-desk employees
- Effortless Course Creation - Easy, flexible, and highly customizable
- Mobile-first Training - Designed and built especially for companies like yours
- Actionable Insights - A visual and powerful admin dashboard

Quizzes

◦ Improve your business' learning processes with an employee quiz app - Streamline employee training & learning processes, boost engagement, and evaluate your team's knowledge with this online quiz app

◦ The easiest way to evaluate your team's knowledge - Create & dispatch quizzes and analyze your employee's skills

◦ Highly engaging for your employees - Make compliance training and onboarding enjoyable
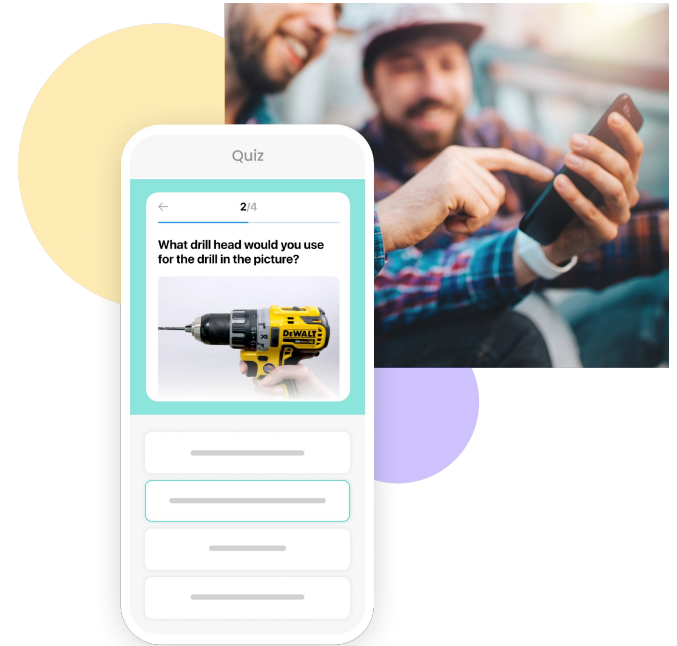

Documents

◦ Collect documents from your team with ease

◦ The easiest way to manage & organize your documents - All of your employee files & forms in one employee document app

◦ Tailor-made for your HR & onboarding processing needs - Combine relevant forms and assign them to groups of employees

◦ Improve document management for maximized productivity - Stay up to date with all employee compliance documents & license statuses

connecteam
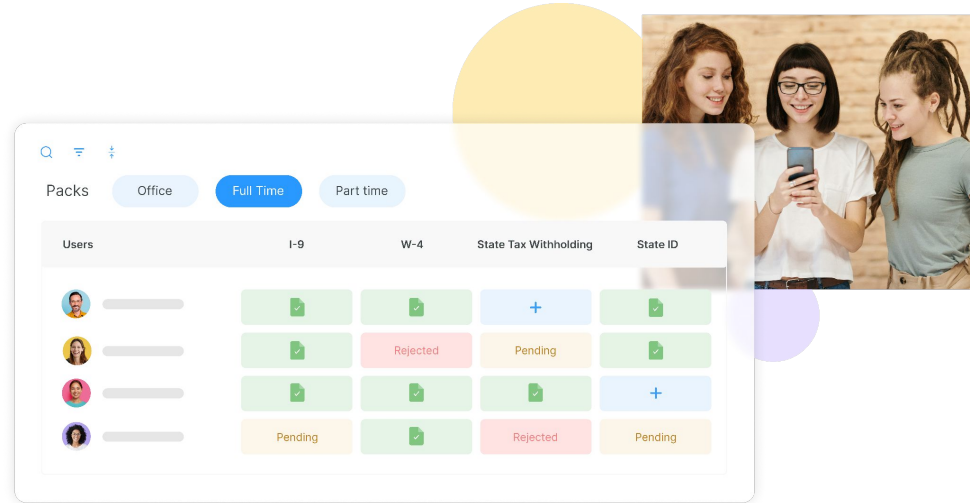

Recognitions

◦ Put your employees' success in the spotlight
Show your appreciation in private or share it with
their peers to drive a culture of excellence

◦ Recognize your employees for every big moment
- Celebrate birthdays, holiday gifts, praise
achievements, enhance onboarding,
acknowledge every win and boost engagement
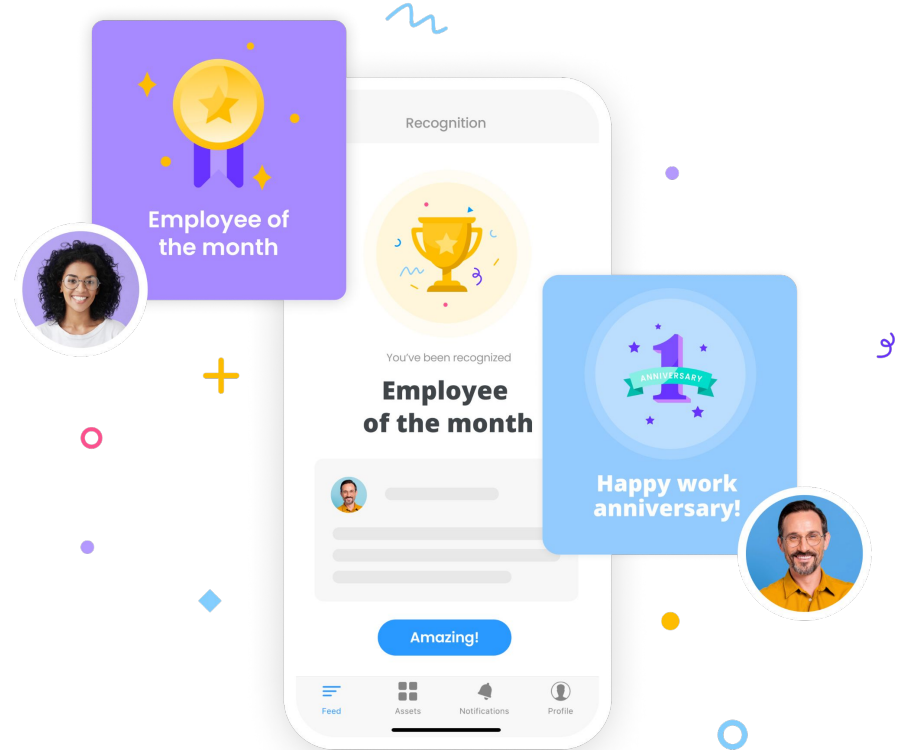

Rewards

○ Nurture a culture of feedback and development by praising employees' work, promote company values, and boost employee engagement

○ We collaborate with vendors that your employees can't wait to buy from - Nike, Uber, Macy's, Apple, JCPenney, Target, Walmart, Google Play, Amazon.com, Foot Locker® and many more

What Our Customers Are Saying

Our experience has been wonderful, from implementation throughout. **We've got almost a 100% participation rate amongst our staff,** which is incredible. It allows us to communicate much more efficiently than ever before, and has really made the company feel more united."

Cora B. | Human Resources Advisor

Very easy to use and the features cover **everything we need to build a better, stronger, and well-organized team.**

Terra L. | General Manager

Most valuable APP for SMB ever.
Not only did we cut our previous costs by 80%, everything is now in a single solution.

Scott W. | Director of Operations
