# Pest Control Inspection Checklist

Pest Control Inspection Checklist:

Client Information:

[ ] Client Name: Gather the client's name and contact information.
[ ] Property Address: Record the property's address and relevant details.

Indoor Inspection:

[ ] Kitchen: Check for signs of pests, food debris, and areas of vulnerability.
[ ] Dining/Living Areas: Examine for crumbs, spills, and hiding spots pests might use.
[ ] Bathrooms: Inspect for moisture issues, leaks, and potential pest habitats.
[ ] Bedrooms: Look for signs of pests, nests, or damage.

Outdoor Inspection:

[ ] Exterior Walls: Inspect for cracks, gaps, and potential entry points.
[ ] Windows and Doors: Check seals and screens to prevent pest access.
[ ] Trash Storage: Evaluate trash receptacles and potential attractants.
[ ] Yard and Landscaping: Assess vegetation, drainage, and potential pest habitats.

Structural Assessment:

[ ] Roof: Inspect for entry points, damage, and nesting sites.
[ ] Foundation: Check for cracks, gaps, or openings pests might use.

Pest Identification:

[ ] Identify Pest Types: Determine the specific pests present and their level of infestation.
[ ] Nesting Areas: Locate nests, breeding sites, and harborage areas.

Conducive Conditions:

[ ] Moisture Issues: Identify areas with high humidity or leaks that pests are attracted to.
[ ] Food Sources: Note food storage practices and potential food debris.

Evidence Collection:

[ ] Droppings and Tracks: Document any droppings or tracks left by pests.
[ ] Damaged Areas: Record areas with signs of pest damage.

Recommendations:

[ ] Treatment Options: Provide treatment strategies tailored to the identified pests.
[ ] Preventive Measures: Advise the client on practices to reduce conducive conditions.

Documentation:

[ ] Inspection Records: Document all findings, evidence, and recommendations.

Client Communication:

[ ] Review Findings: Discuss inspection findings and treatment options with the client.
[ ] Address Concerns: Address any client questions or concerns.

Task Review:

[ ] Verify Completed Tasks: Review the checklist to ensure all inspection tasks are completed.
[ ] Update Inspection Records: Update inspection records for future reference.

Supervisor Verification:

Supervisor's signature confirming inspection completion

Signature: _____ Date: _____
